# Lower Umpqua Hospital Foundation

Incorporated, 1982

Lower Umpqua Hospital Foundation is a 501 (c) 3 non-profit organization dedicated to fostering better health care for the community.

Contributions to the Foundation help maintain our hospital's financial stability. Money raised by the Foundation through donations and other activities, is used to upgrade health services and modernize medical facilities, not for operating expenses.

Donating to the Foundation decreases the hospital's dependence on tax revenue and ensures that the hospital can maintain its current high level of care in future years.

There are many ways to contribute to the Foundation.

◆ Memorial gifts can be made for as little as \$25. One may purchase a bronze leaf to be mounted on a Tree of Love in the hospital's entrance and honor or memorialize someone special. Each leaf is engraved in black and can include the names of both the donor and honoree or just one.

Donations of over \$100 will purchase a myrtlewood leaf for the lobby's Foundation Family Tree and inscribed as above. Use the form on this page to order a leaf.

◆ Donations of money in any amount, made in a single contribution or over time, are also greatly appreciated. Donors may specify a particular department or program to benefit if they wish.

◆ Other ways to support the Lower Umpqua Hospital Foundation include direct bequests in a will, or a gift of securities, real estate or other personal property.

◆ The Lower Umpqua Hospital Foundation also offers a life insurance policy in which the Foundation is a named beneficiary. For more information, check the box on the reverse side and you will be contacted.

Please discuss the advantages of and proper procedures for making such donations with your attorney or tax advisor.
